Hope to see a large number as we expect to do sewing for a neighbor who has a large family to sew for. O. E. Hunt and son, Cecil, were in

Get Your Groceries AT WHOLESALE

You can do it under the new Cash Saving Plan of the Klamath Cash Store. Under this plan you pay \$2.25 per month. This fee will entitle you to come to the Klamath Cash Store and buy any of the merchandise on its shelves at just what was paid for it wholesale, plus transportation charge. The only condition attached to this is that five hundred people join in the undertaking. If you join in this movement you will save the monthly fee on every ten dollars worth of merchandise you buy, for you will effect a saving of 25 per cent on your groceries.

You can make your application for membership at the Klamath Cash Grocery, the First State and Savings Bank or the County Agricultural Agent. Your \$2.25 will be deposited with the First State and Savings Bank and will remain there until 500 have joined. Then this money is turned over to the Klamath Cash Grocery and each member is then entitled to buy his groceries at the wholesale cost, plus transportation. There are no other conditions or strings attached to this. If you do not clearly understand the plan call for further information at the
